The total returns shown are past performance. Returns, yields, and your accumulation in the accounts will fluctuate. At redemption your accumulation units may be worth more or less than their purchase price. These returns are net of all expenses. TIAA-CREF expenses are exceptionally low compared with those of comparable products.¹ As with all of the TIAA-CREF variable annuity accounts, the funds you invest in the CREF Money Market Account are neither insured nor guaranteed by the Federal Deposit Insurance Corporation or any other government agency. For more complete information, including charges and expenses, please read the prospectus before you invest.
